# Dear Potential Sponsor,

This winter, **CrabHacks** is inviting 100+ brilliant high school students to a 10-hour hackathon in the DMV area. Our team worked around the clock to pack this year’s schedule to the brim with educational workshops, great food, and enticing prizes. Our goal is to host an amazing event with the next generation of high school hackers and coding enthusiasts, blending tech and entrepreneurship to foster connection and collaboration.

## What is a Hackathon?

A hackathon is a multi-day event centered around building completely new projects to solve unique modern problems, ranging from reducing toddler food spillage to designing new avenues for water desalination! At **CrabHacks**, we believe that the ideal hackathon experience consists of the following:
